

Quality is precious

Sustained by
a passion for
purity for over
two centuries...

Narrondass Manordass is one of the most trusted and respected names in the Bullion trade, having built this reputation from the firm's inception in 1788, as refiners and minters.

Our *Mission* is to constantly innovate to keep up with the new century, whilst keeping the soul of the company embedded in our more than 200 year old heritage.

Our *Vision* is to achieve the utmost purity and weight in all our products, to keep us at top of the trade. We at NM are driven by the confidence our clients place in us.

About NM

Along with being a manufacturer of Gold and Silver products, our unique strength comes from our own **state of the art refinery**. Apart from refining precious metals, we also have a range of products that are well recieved in the market. *Gold and Silver coins, Bars, Anodes, Strips, Foils and Designer Cutlery Articles* are some of our many products.

For reputed Banks, Financial Institutions, Big Corporates and Leading Jewellers, amongst other clients, we undertake tailor made **customised minting orders**.

Our credibility and prestige was further recognised when we were **awarded** the prestigious “Best Bullion Dealer of the Year Award 2011-2012” and “Outstanding Contribution to Bullion Market – 2013”.

An endless quest for purity, constant innovation, spirited leadership and a **multi century heritage** has helped NM grow to great heights, both in the market and especially in our customer’s hearts.
